

bsp_clk_usart_enable

```
graph LR; A[bsp_clk_usart_enable] --> B[KERNEL_LOG_ERROR]
```

A diagram showing a flow from a variable to a log message. On the left, a gray rectangular box contains the text 'bsp_clk_usart_enable'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'KERNEL_LOG_ERROR'.

KERNEL_LOG_ERROR
